

## E10 15x29 mm 4.9V 300mA Bi-METAL

E10 15x29 mm 4.9V 300mA Bi-METAL

ARTICLE\_NUMBER: 101530112

CHANGED\_LAST: 29-10-2025

BRAND: Vezalux

ETIM\_GROUP: EG000028 - Lamps

ETIM\_CLASS: EC000399 - Indication- and signalling lamp

SYNONYM: Incandescent lamp, Indication- and signalling lamp, Lamp, Traffic signalling lamp

## FEATURES

|                     |             |                                                               |                   |
|---------------------|-------------|---------------------------------------------------------------|-------------------|
| Nominal current:    | 300 mA      | Suitable for pointer:                                         | NO                |
| Colour:             | Colourless  | Halogen:                                                      | NO                |
| Socket:             | E10         | Technology:                                                   | Incandescent lamp |
| Luminous flux:      | -lm         | Xenon:                                                        | NO                |
| Colour temperature: | 2700 K      | Average nominal lifetime:                                     | 2000 h            |
| Total length:       | 29 mm       | Lamp voltage:                                                 | 4.9 V             |
| Diameter:           | 15 mm       | Lamp power:                                                   | 1.47 W            |
| Lamp shape:         | Round/globe | Suitable for round flashing luminaire:                        | NO                |
| Krypton:            | NO          | Energy efficiency class according to EU regulation 2019/2015: | NO                |

## PACKING\_INFORMATION

|              |                                                                                                                                                                                                                                                                                             |
|--------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| WEIGHT       | 0 gr                                                                                                                                                                                                                                                                                        |
| PACKING_CODE | BX                                                                                                                                                                                                                                                                                          |
| PACKING_FORM | Box<br><p>A non-specific term that refers to a non-flexible, three-dimensional packaging with closed sides that can be completely enveloped and made of any material. Although some boxes are suitable for reuse or rescue, they can also be for one -off use, depending on the product</p> |
