

## E14 25x 85 mm 130V 25W frosted

E14 25x 85 mm 130V 25W frosted

ARTICLE\_NUMBER: 142585559

CHANGED\_LAST: 29-10-2025

BRAND: Vezalux

ETIM\_GROUP: EG000028 - Lamps

ETIM\_CLASS: EC000014 - Incandescent lamp tube-shaped

SYNONYM: Bulb, Bulb tubular, Flashlight lamp, Incandescent lamp, Incandescent lamp tube-shaped, Indicator light complete, Lamp, Miniature lamp, Oven lamp

## FEATURES

|                  |         |                                                               |          |
|------------------|---------|---------------------------------------------------------------|----------|
| Nominal current: | 192 mA  | Shock-proof:                                                  | NO       |
| Colour:          | Other   | Suitable for refrigerator:                                    | NO       |
| Model:           | Frosted | Carbon filament:                                              | NO       |
| Lamp power:      | 25 W    | Average nominal lifetime:                                     | 2000 h   |
| Socket:          | E14     | Lamp voltage:                                                 | 13 ~ 130 |
| Luminous flux:   | -lm     | Weighted energy consumption in 1000 hours:                    | 25 kWh   |
| Total length:    | 85 mm   | Lamp designation:                                             | Other    |
| Diameter:        | 25 mm   | Energy efficiency class according to EU regulation 2019/2015: | Other    |

## PACKING\_INFORMATION

|              |                                                                                                                                                                                                                                                                                             |
|--------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| WEIGHT       | 0 gr                                                                                                                                                                                                                                                                                        |
| PACKING_CODE | BX                                                                                                                                                                                                                                                                                          |
| PACKING_FORM | Box<br><p>A non-specific term that refers to a non-flexible, three-dimensional packaging with closed sides that can be completely enveloped and made of any material. Although some boxes are suitable for reuse or rescue, they can also be for one -off use, depending on the product</p> |
