| ETIM class:   | EC000038 - High voltage halogen lamp without reflector                                                                                               |
| Synonyms:     | Candle, Candle-shaped incandescent lamp, Halogen lamp, High voltage halogen lamp, HV halogen lamp, Lamp, High voltage halogen lamp without reflector |

## Specifications

|                     |         |                                                               |            |
|---------------------|---------|---------------------------------------------------------------|------------|
| Model:              | Clear   | Infrared coating/-technique:                                  | No         |
| Lamp power:         | 70 W    | Lamp shape:                                                   | Pear-shape |
| Socket:             | E27     | Twisted glass:                                                | No         |
| Luminous flux:      | 1175 lm | Average nominal lifetime:                                     | 2000 h     |
| Colour temperature: | 2700 K  | Lamp voltage:                                                 | 240 V      |
| Total length:       | 98 mm   | Weighted energy consumption in 1000 hours:                    | 70 kWh     |
| Diameter:           | 55 mm   | Lamp designation:                                             | Other      |
| UV protection:      | No      | Energy efficiency class according to EU regulation 2019/2015: | Other      |

## Packaging information

|                                                                       |                                                                                                                                                                                                                                                                                            |
