

## Osram T8 58W 840

Osram T8 58W 840

Article code: OSR 517957

Last changed: 10-07-2026 16:24:48

Brand: OSRAM

ETIM group: EG000028 - Lamps

ETIM class: EC000108 - Fluorescent lamp

Synonyms: Fluorescent lamp, Lamp

## Specifications

|                             |         |                                                               |                           |
|-----------------------------|---------|---------------------------------------------------------------|---------------------------|
| Colour:                     | White   | Length:                                                       | 1514.2 mm                 |
| Lamp power:                 | 58 W    | Internal reflector:                                           | No                        |
| Application:                | General | Full spectrum lamp:                                           | No                        |
| Socket:                     | G13     | Colour of light:                                              | 840                       |
| Luminous flux:              | 5200 lm | Suitable for emergency lighting:                              | No                        |
| Colour temperature:         | 4000 K  | Ring diameter:                                                | 26 mm                     |
| Beam angle:                 | -°      | Double-walled:                                                | No                        |
| Colour rendering index CRI: | 80-89   | Colour of light according to EN 12464-1:                      | Neutral white 3300-5300 K |
| Splitter protection:        | No      | For application at low temperatures:                          | No                        |
| Tube diameter:              | 26 mm   | Suitable for explosion proof luminaires:                      | No                        |
| Lamp efficacy:              | 89 lm/W | Average nominal lifetime:                                     | 20000 h                   |
| Ignition strip:             | No      | Weighted energy consumption in 1000 hours:                    | 62 kWh                    |
| Fast ignition:              | No      | Lamp designation:                                             | T8                        |
| Starterless operation:      | No      | Energy efficiency class according to EU regulation 2019/2015: | G                         |

## Packaging information

|                                                                       |                                                  |
