| Last changed: | 21-07-2026 08:35:45                                                                       |
| Brand:        | OSRAM,Ledvance                                                                            |
| ETIM group:   | EG000028 - Lamps                                                                          |
| ETIM class:   | EC001959 - LED-lamp/Multi-LED                                                             |
| Synonyms:     | Bulblamp, Candlelamp, Globelamp, Lamp, LED, LED candle, LED capsule, LED lamp, LED luster |

## Specifications

|                                            |                     |                                                               |            |
|--------------------------------------------|---------------------|---------------------------------------------------------------|------------|
| Colour:                                    | Other               | Lamp power:                                                   | 2.500 W    |
| Socket:                                    | B22d                | Luminous flux:                                                | 250.000 lm |
| Housing colour:                            | B22d                | Colour consistency (McAdam ellipse):                          | SDCM6      |
| Dimmable:                                  | No                  | Total harmonic distortion:                                    | SDCM6      |
| Voltage type:                              | AC                  | Photobiological safety according to EN 62471:                 | RG0        |
| With movement sensor:                      | No                  | Dimming phase cut-off (trailing edge):                        | No         |
| With twilight switch:                      | No                  | Dimming phase cut-on (leading edge):                          | No         |
| Colour rendering index CRI:                | 80-89               | Dimming Touch and Dim:                                        | No         |
| With remote control:                       | No                  | Dimming Zigbee:                                               | No         |
| Diameter:                                  | 35 mm               | No dim function:                                              | Yes        |
| Suitable for electronic ballast:           | No                  | Lamp designation:                                             | B10.5      |
| Lamp efficacy:                             | 100 lm/W            | Filament lamp:                                                | Yes        |
| Luminous intensity:                        | -cd                 | Min. number of switching cycles:                              | 100000     |
| Lamp shape:                                | Candle              | Beam angle:                                                   | 300.000 °  |
| Length:                                    | 91 mm               | Rated luminous flux according to IEC 62612:                   | 250 lm     |
| Suitable for refrigerator:                 | No                  | Compatible with Apple HomeKit:                                | No         |
| Remote operation possible:                 | No                  | Compatible with Google Assistant:                             | No         |
| Nominal voltage:                           | 220.000 ~ 240.000   | Compatible with Amazon Alexa:                                 | No         |
| Degree of protection (IP):                 | IP20                | Suitable for magnetic ballast:                                | No         |
| Colour of light according to EN 12464-1:   | Warm white < 3300 K | Energy efficiency class according to EU regulation 2019/2015: | F          |
| Type of glass/cover:                       | Clear               | Dimming Bluetooth:                                            | No         |
| Average nominal lifetime:                  | 15000 h             | Dimming Wi-Fi:                                                | No         |
| Nominal current:                           | 19.000 mA           | Material of light bulb:                                       | Glass      |
| Colour temperature:                        | 2700.000 K          | Total harmonic distortion (THD):                              | Glass      |
| Weighted energy consumption in 1000 hours: | 3 kWh               | Power factor:                                                 | 0.5        |

## Packaging information

|                                                                                                                                                                                                                                                                                     |      |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------|
