

Screw Saddle Cable Support 6x34 white (100 pcs) Thorgeon

Screw Saddle Cable Support 6x34 white (100 pcs) Thorgeon

Article code:	TH 15029
Last changed:	11-08-2026 14:40:22
Brand:	Thorgeon
ETIM group:	EG021005 - Mounting systems
ETIM class:	EC000046 - Cable tie
Synonyms:	Band bundle, Burs tape, Cable band, Cable bundle band, Cable fixing band, Cable tie, Colson band, Endless tape, Fixing band

Specifications

Colour: --	Transparent: No
Model: --	Band closure: No
Halogen free: No	Bundle diameter: - mm
Length belt/tape/tie: -mm	MIL approval: No
Text strip: -mm	UL approval: No
Surface protection: -mm	UV-stable according to ASTM D6779: No
Material quality: -mm	VG approval: No
Material: -mm	Band width: -mm
Operating temperature: - °C	Mounting temperature: - °C
Type of fastening: - °C	Fluorescent: No
Inflammability class of insulation material according to UL94: - °C	Detectable: No
Tie thickness: -mm	Min. tensile strength: -N
Releasable closure: No	UV resistant according to IEC 62275: -N

Packaging information

Weight	0.11 kg
Packaging code (according to EANCOM code list 7065)	EN
Packaging form	Bag A usually flat packaging made of flexible material with only two surfaces that are connected to each other on three sides to form a casing. The open side can be used to fill the package. This can then possibly be closed with a self-clay-fitting valve, heat shaft, string, metal clamp or other closing agent. A valve makes handy dosage possible.
CBS-code	39269097
