## FEATURES

|                                            |                           |                                                               |        |
|--------------------------------------------|---------------------------|---------------------------------------------------------------|--------|
| Colour:                                    | White                     | Lamp power:                                                   | 6.5 W  |
| Socket:                                    | E27                       | Luminous flux:                                                | 806 lm |
| Housing colour:                            | White                     | Colour consistency (McAdam ellipse):                          | 806 lm |
| Dimmable:                                  | NO                        | Total harmonic distortion:                                    | 806 lm |
| Voltage type:                              | NO                        | Photobiological safety according to EN 62471:                 | 806 lm |
| With movement sensor:                      | NO                        | Dimming phase cut-off (trailing edge):                        | NO     |
| With twilight switch:                      | NO                        | Dimming phase cut-on (leading edge):                          | NO     |
| Colour rendering index CRI:                | 80-89                     | Dimming Touch and Dim:                                        | NO     |
| With remote control:                       | NO                        | Dimming Zigbee:                                               | NO     |
| Diameter:                                  | 45 mm                     | No dim function:                                              | YES    |
| Suitable for electronic ballast:           | NO                        | Lamp designation:                                             | Other  |
| Lamp efficacy:                             | 124 lm/W                  | Filament lamp:                                                | NO     |
| Luminous intensity:                        | -cd                       | Min. number of switching cycles:                              | 30000  |
| Lamp shape:                                | Round/globe               | Beam angle:                                                   | 150 °  |
| Length:                                    | 82 mm                     | Rated luminous flux according to IEC 62612:                   | 806 lm |
| Remote operation possible:                 | NO                        | Compatible with Apple HomeKit:                                | NO     |
| Nominal voltage:                           | 220 ~ 240                 | Compatible with Google Assistant:                             | NO     |
| Degree of protection (IP):                 | IP20                      | Compatible with Amazon Alexa:                                 | NO     |
| Colour of light according to EN 12464-1:   | Neutral white 3300-5300 K | Suitable for magnetic ballast:                                | NO     |
| Type of glass/cover:                       | Opal                      | Energy efficiency class according to EU regulation 2019/2015: | F      |
| Average nominal lifetime:                  | 25000 h                   | Dimming Bluetooth:                                            | NO     |
| Nominal current:                           | - mA                      | Dimming Wi-Fi:                                                | NO     |
| Colour temperature:                        | 5000 K                    | Material of light bulb:                                       | NO     |
| Weighted energy consumption in 1000 hours: | 6.5 kWh                   | Total harmonic distortion (THD):                              | NO     |
| IFTTT support available:                   | NO                        | Power factor:                                                 | NO     |

## PACKING\_INFORMATION
