## FEATURES

|                                          |                     |                                                               |                     |
|------------------------------------------|---------------------|---------------------------------------------------------------|---------------------|
| Colour:                                  | White               | Colour temperature:                                           | 3000.000/3000.000 K |
| Socket:                                  | R7s                 | Weighted energy consumption in 1000 hours:                    | 9 kWh               |
| Voltage type:                            | AC                  | Lamp power:                                                   | 9.000/9.000 W       |
| Colour rendering index CRI:              | 80-89               | Luminous flux:                                                | 950.000/1161.000 lm |
| Diameter:                                | 16 mm               | Colour consistency (McAdam ellipse):                          | SDCM6               |
| Lamp efficacy:                           | 117.22 lm/W         | Photobiological safety according to EN 62471:                 | RG0                 |
| Lamp shape:                              | Linear              | Dimming phase cut-off (trailing edge):                        | NO                  |
| Length:                                  | 118 mm              | Dimming phase cut-on (leading edge):                          | NO                  |
| Nominal voltage:                         | 220.000/240.000 V   | Lamp designation:                                             | Other               |
| Degree of protection (IP):               | IP20                | Min. number of switching cycles:                              | 50000               |
| Colour of light according to EN 12464-1: | Warm white < 3300 K | Beam angle:                                                   | 360.000/360.000 °   |
| Type of glass/cover:                     | Clear               | Rated luminous flux according to IEC 62612:                   | 1055 lm             |
| Average nominal lifetime:                | 15000 h             | Energy efficiency class according to EU regulation 2019/2015: | E                   |
| Nominal current:                         | 38.000/41.000 mA    | Power factor:                                                 | 0.5                 |
