

E27 led filament A165 Big Jenny 240V 4W 2200K gold dimm

Big is beautiful! As the name suggests, the lamps in this series are characterized by their size. The shapes are also so special that these LED lamps in combination with a beautiful lampholder and cord actually already are a kind of fixture. These Big lamps are perfectly dimmable with the right dimmer. Consult the dimmer list on the Bailey site for this. We recommend the Bailey Wonderwall wall dimmer. These LED filament lamps are of course energy efficient.
