## Feature

|                                             |                    |                                               |         |
|---------------------------------------------|--------------------|-----------------------------------------------|---------|
| Nominal voltage:                            | 220 ~ 240 V        | Diameter:                                     | 29 mm   |
| Nominal current:                            | 87 ~ 87 mA         | Length:                                       | 1200 mm |
| Power factor:                               | 0.9                | Degree of protection (IP):                    | IP20    |
| Lamp power:                                 | 18 ~ 18 W          | Energy Efficiency Index (EEI):                | 0.78    |
| Voltage type:                               | AC                 | Lamp designation:                             | T8      |
| Luminous flux:                              | 210 ~ 210 lm       | Energy efficiency class:                      | G       |
| Rated luminous flux according to IEC 62612: | 210 lm             | Min. number of switching cycles:              | 12500   |
| Lamp efficacy:                              | 12 lm/W            | Weighted energy consumption in 1000 hours:    | 18 kWh  |
| Lamp shape:                                 | Tube, double-ended | Average nominal lifespan:                     | 25000 h |
| Filament lamp:                              | No                 | Remote operation possible:                    | No      |
| Type of glass/cover:                        | Opal               | With remote control:                          | No      |
| Socket:                                     | G13                | Photobiological safety according to EN 62471: | Other   |
| Colour:                                     | Blue               | Compatible with Apple HomeKit:                | No      |
| Housing colour:                             | White              | Compatible with Google Assistant:             | No      |
| Beam angle:                                 | 280 ~ 280 °        | Compatible with Amazon Alexa:                 | No      |
| Colour consistency (McAdam ellipse):        | Other              | IFTTT support available:                      | No      |
| Dimmable:                                   | No                 |                                               |         |

## Packaging data
