| Article number: | 810221.00A  |
| Status product: | 126 - CURRENT   |
| Changed last:   | 03-12-2024  |
| Brand:          | Daylight Italia   |
| Type:           | LED satellite   |
| ETIM Group:     | EG000027 - Luminaires   |
| ETIM Classes:   | EC000302 - Table luminaire  |
| Synonym:        | Desk lamp, Desk luminaire, Floor luminaire, Housing lighting luminaire, Loupe light, Office luminaire, Table lamp, Table luminaire, Workplace lighting lamp |

## Feature

|  |                       |   |         |
|--|-----------------------|---|---------|
| Type of luminaire:                                   | Living room luminaire | Dimming phase cut-on:                           | No      |
| Mounting method:                                     | Stand (base)          | Dimming programmable:                           | No      |
| Suitable for wall mounting:                          | No                    | Dimming RF:                                     | No      |
| Adjustable:  | Yes                   | Dimming Sine Wave Reduction:                    | No      |
| Bendable:  | No                    | Dimming Touch and Dim:                          | No      |
| Adjustable height:                                   | No                    | Dimming Zigbee:                                 | No      |
| Lamp type:   | LED exchangeable      | Dimming with push-button:                       | No      |
| With light source:                                   | Yes                   | No dim function:                                | No      |
| Suitable for number of light sources:                | 1                     | Light distributor:                              | Other   |
| Lamp holder:   | E27                   | Rated life time L70/B50 at 25 °C:               | 0 h     |
| Housing material:                                    | Plastic               | Rated life time L80/B10 at 25 °C:               | 0 h     |
| Housing colour:                                      | White                 | With switch:                                    | Yes     |
| Material cover:                                      | Plastic, transparent  | With socket outlet:                             | No      |
| Suitable for workplace according to EN 12464-1:      | No                    | With dimmer:                                    | No      |
| Direct-/indirect proportion separately controllable: | No                    | Suitable for lamp power:                        | 0 ~ 0 W |
| Nominal voltage:                                     | 220 ~ 240 V           | Max. system power:                              | 0 W     |
| Type of control gear:                                | Not required          | Electrical connection with connector system:    | No      |
| With control gear:                                   | No                    | Rated luminous flux according to IEC 62722-2-1: | 0 lm    |
| Exchangeable control gear:                           | No                    | Colour of light:                                | White   |
| Dimming 0-10 V:                                      | No                    | Colour temperature:                             | 0 ~ 0 K |
| Dimming 1-10 V:                                      | No                    | Constant light output (CLO):                    | No      |
| Dimming DALI:  | No                    | Width:  | 0 mm    |
| Dimming DMX:   | No                    | Height/depth:                                   | 0 mm    |
| Dimming DSI:   | No                    | Length:   | 0 mm    |
| Dimming potentiometer (integrated):                  | No                    | Diameter:                                       | 0 mm    |
| Dimming GPRS:  | No                    | Compatible with Apple HomeKit:                  | No      |
| Dimming LineSwitch:                                  | No                    | Compatible with Google Assistant:               | No      |
| Dimming manufacturer's proprietary system:           | No                    | Compatible with Amazon Alexa:                   | No      |
| Dimming mains voltage modulation:                    | No                    | IFTTT support available:                        | No      |
| Dimming phase cut-off:                               | No                    |   |         |
