| Synonym:        | Blacklightlamp, Disinfection lamp, Insect trapping lamp, Medical lamp, Reprography lamp, Sun-tanning lamp, Ultraviolet lamp, UV lamp, UV light |

## Feature

|                                    |      |                                            |       |
|------------------------------------|------|--------------------------------------------|-------|
| Black light lamp:                  | No   | External ballast required:                 | No    |
| Suitable for air disinfection:     | No   | External ignitor required:                 | No    |
| Suitable for water disinfection:   | No   | Integrated starter:                        | No    |
| Suitable for personal well-being:  | No   | Dimmable:                                  | No    |
| Suitable for insect trapping:      | No   | Lamp power:                                | 0 W   |
| Suitable for medical applications: | No   | Lamp voltage:                              | NA V  |
| Suitable for reprography:          | No   | Weighted energy consumption in 1000 hours: | 0 kWh |
| Suitable for sun-tanning:          | No   | Average nominal lifespan:                  | 0 h   |
| Total length:                      | 0 mm | Mercury content:                           | 0 mg  |
| Diameter:                          | 0 mm |                                            |       |

## Packaging data

|        |      |
