

Portable Solar Panel 100W Thorgeon

Portable Solar Panel 100W Thorgeon

Article number:	TH 17001
Status product:	126 - CURRENT
Changed last:	24-07-2024
Brand:	Thorgeon
Type:	Portable Solar Panel
ETIM Group:	EG000055 - Renewable energy
ETIM Classes:	EC001746 - Photovoltaics module
Synonym:	Collector, Photovoltaics module, Solar cell, Solar module, Solar panel

Feature

Cell material:	Mono crystalline	Length:	1189 mm
MPP power by STC:	100 Wp	Width:	689 mm
Max. system voltage:	0 V	Height:	17.5 mm
MPP-voltage:	19.8 V	Weight:	5.1 kg
Open circuit voltage:	0 V	With frame:	Yes
MPP-current:	5.05 A	Colour frame:	Black
Short-circuit current:	5.3 A	With connection cable:	Yes
Power tolerance:	10 ~ 10 %	Cable length:	0 mm
Module efficiency factor (STC):	21 %	Operating temperature:	0 ~ 0 °C
Temperature coefficient Pmpp:	0 %/K	Reverse current load:	0 A
Temperature coefficient Uoc:	0 %/K	Suitable for vertical/overhead glazing:	No
Temperature coefficient Isc:	0 %/K	Glass with anti-reflection coating:	No

Packaging data

Weight	0 gr
Customs code	85414300
