

Digital Wi-Fi Plug-In Thermostat White Thorgeon

Digital Wi-Fi Plug-In Thermostat White Thorgeon	
Article number:	TH 18007
Status product:	126 - CURRENT
Changed last:	06-01-2025
Brand:	Thorgeon
Type:	Digital Wi-Fi plug Thermostat
ETIM Group:	EG015840 - Stats, switches and controllers
ETIM Classes:	EC003263 - Smart thermostat
Synonym:	Smart thermostat

Feature

Regulation type on/off:	No	Optimisation:	No
Regulation type modulating:	No	With tap water circuit:	No
With receiver:	No	Suitable for floor heating control:	No
Measuring range:	0 ~ 0 °C	Suitable for district heating control:	No
External sensor:	No	Remote operation possible:	No
With thermal feedback:	No	IFTTT support available:	No
Adaptive (self-learning):	No	With presence perception:	No
Suitable for heating:	No	Weather-dependent control system:	No
Suitable for cooling:	No	Max. contact voltage:	0 V
Ventilation:	No	Max. contact load:	0 A
Differential value:	0 ~ 0 K	Width:	0 mm
Adjustable differential:	No	Depth:	0 mm
Temperature readable:	No	Height:	0 mm
With display:	No	Standby power consumption (solstandby):	0 W
Overtime switch:	No		

Packaging data

Weight	0 gr
Customs code	90321020
