

Portable Power Station 300W Thorgeon

Portable Power Station 300W Thorgeon	
Article number:	TH 17002
Status product:	126 - CURRENT
Changed last:	06-01-2025
Brand:	Thorgeon
Type:	Portable energy station
ETIM Group:	EG000055 - Renewable energy
ETIM Classes:	EC001757 - Solar-battery
Synonym:	Accu, Battery, Rechargeable battery, Solar-battery, Traction battery

Feature

Model:	Lithium-ions	Height:	140 mm
Voltage type:	AC	Depth:	209 mm
Voltage:	230 ~ 230 V	Suitable for emergency power:	No
Number of phases:	4	Max. depth of discharge:	0 %
Nominal battery capacity:	300 kWh	Weight:	0 kg
Usable battery capacity:	300 kWh	Suitable for indoor installation:	No
Ambient temperature:	40 ~ 40 °C	Suitable for outdoor installation:	No
Width:	153 mm		

Packaging data

Weight 0 gr
