## Feature

|                                             |                        |                                            |             |
|---------------------------------------------|------------------------|--------------------------------------------|-------------|
| Nominal voltage:                            | 100 ~ 240 V            | Beam angle:                                | 200 ~ 200 ° |
| Nominal current:                            | 0 ~ 0 mA               | Dimmable:                                  | No          |
| Power factor:                               | 0.5                    | Diameter:                                  | 44 mm       |
| Lamp power:                                 | 12 ~ 12 W              | Length:                                    | 139 mm      |
| Luminous flux:                              | 1050 ~ 1050 lm         | Degree of protection (IP):                 | IP20        |
| Rated luminous flux according to IEC 62612: | 0 lm                   | Lamp designation:                          | Other       |
| Lamp efficacy:                              | 0 lm/W                 | Energy efficiency class:                   | A+          |
| Luminous intensity:                         | 0 cd                   | Min. number of switching cycles:           | 100000      |
| Colour rendering index CRI:                 | 80-89                  | Weighted energy consumption in 1000 hours: | 12 kWh      |
| Lamp shape:                                 | Tube, single-ended     | Average nominal lifespan:                  | 25000 h     |
| Filament lamp:                              | No                     | Remote operation possible:                 | No          |
| Type of glass/cover:                        | Frosted                | With remote control:                       | No          |
| Colour of light according to EN 12464-1:    | Daylight white >5300 K | Compatible with Apple HomeKit:             | No          |
| Socket:                                     | E27                    | Compatible with Google Assistant:          | No          |
| Colour:                                     | White                  | Compatible with Amazon Alexa:              | No          |
| Colour temperature:                         | 6500 ~ 6500 K          | IFTTT support available:                   | No          |
| Housing colour:                             | White                  |                                            |             |
